MAJOR BENEFITS OF MEMBERSHIP

Membership in NJAPA will benefit you through association with your peers. As a member you will be able to share ideas and find solutions to problems in your accounting, financial or tax practice.

1. PROFESSIONAL DEVELOPMENT - To help meet members needs for continuing professional education, NJAPA offers seminars in Federal and State taxation including current changes, accounting, preparation of financial statements, retirement planning, financial and investment planning, practice development, computers and IRS Seminars. Since the NJ Board of Accountancy has established mandatory continuing education and CPE is required by the IRS to maintain the Enrolled Agents status, it is increasingly important that you join our organization to satisfy these requirements.
2. REPRESENTATION - of your views before the Internal Revenue Service, New Jersey Division of Taxation, New Jersey Legislature and the New Jersey Board of Accountancy.
3. MEETINGS - Local Chapter meetings to update you on the latest developments in the accounting, financial and tax professions.
4. PUBLICATIONS - A bulletin providing the latest information on events in the profession, the economy and the government which have an impact on your practice, as deemed appropriate.
5. MEMBER SERVICES - As a forum to meet your fellow practitioners, exchange ideas, ethics, grievances, etc.
6. Q.E.R. - Quality Enhancement Review Committee will review and grade your financial statements as required by the State Board of Accountancy for license renewal.
